

Terms of delivery:

Delivery to locations is governed by the information below and the online application. In addition, tariff surcharges and individual agreement with the employees of the establishment.

Beverages, packaging and other accessories are included in the total order value limit for free delivery.

If the delivery conditions are met, we also deliver drinks, wine and other complementary assortments separately, without the need to order pizza.

Upon receipt of the order via the online system, the customer will be contacted immediately with information about the receipt of the order, a recap of the order and confirmation of the approximate delivery time. The delivery time from order confirmation is 45-120 minutes, depending on the distance and occupancy of the establishment, or the size of the order.

Delivery orders can be received up to half an hour before the end of opening hours. Due to unforeseen circumstances, in particular full occupancy, the pizzeria operator reserves the right to refuse or cancel orders. The customer will always be informed of this fact.
